

This policy provides guidance to pharmacies for complying with reference material requirements as required under the *Pharmacy Operations and Drug Scheduling Act* (“PODSA”) Bylaws section 18(2)(w).

POLICY STATEMENT – HOSPITAL AND HOSPITAL PHARMACY SATELLITES:

1. All hospital pharmacies and hospital pharmacy satellites must be equipped with, current references relevant to the services provided (examples including but not limited to: Pediatrics, Psychiatric, Geriatric, Oncology and Compounding)

POLICY STATEMENTS – COMMUNITY PHARMACY AND TELEPHARMACY:

1. All community pharmacies and telepharmacies are required to have access to the most current versions of the BC Pharmacy Practice Manual. The CPBC ReadLinks is an exception, as only the most recent three years must be readily accessible.

To obtain printed copies of the BC Pharmacy Practice Manual, please order through eServices. To access CPBC ReadLinks, please visit our website at www.bcpharmacists.org.

Electronic formatted files and electronic database[†] references are acceptable for any of the authorized choices within any of the required categories, provided that they are as comprehensive and current as the printed version, as well as readily accessible within the dispensary.

[†] Subscription may be required

2. All community pharmacies and telepharmacies at a minimum must have **one** of the following authorized library references in each of the categories listed in the table (unless otherwise noted).

In addition to the list in the table, pharmacies must be equipped with current references relevant to the services provided (examples including but not limited to: Opioid Agonist Treatment, Veterinary, Psychiatric, Geriatric and Compounding)
