

College of Pharmacists  
of British Columbia

The College of Pharmacists of British Columbia is the licensing and regulatory body for the profession of pharmacy and its practice environment, obtaining authority from the *Health Professions Act*, and the *Pharmacy Operations and Drug Scheduling Act*. The College is responsible for the administration of the Acts and is accountable to the public. The membership of the College comprises all the pharmacists and pharmacy technicians registered in British Columbia.

### Our Mission:

*The College regulates the pharmacy profession in the public interest. We set and enforce standards and promote best practices for the delivery of pharmacy care in British Columbia.*

### Our Values:

- *Being professional and ethical.*
- *Providing quality service.*
- *Building quality relationships.*
- *A culture of excellence.*
