

DRUG SCHEDULES REGULATION

to the

Pharmacy Operations and Drug Scheduling Act of British Columbia

The Drug Schedule is printed in an alphabetical format to simplify the process of locating each individual drug entry and determining its status in British Columbia. Each entry is preceded by a code noted as 1, 1A, 2, 3 or 4.

Note: this document is a CPBC-annotated version of the official provincial Drug Schedules Regulation.

Additional drug schedule information can be found at:

- Federal Controlled Drugs and Substances Act (including narcotics)

1	=	Schedule I
1A	=	Controlled Prescription Program
2	=	Schedule II
3	=	Schedule III
4	=	Schedule IV

Drugs listed in Schedules I, IA, II, III and IV must be sold from licensed pharmacies. Unscheduled drugs may be sold from nonpharmacy outlets. The various schedules are differentiated as follows:

Schedule I (Prescription)

Schedule I drugs require a prescription for sale and are provided to the public by a pharmacist following the diagnosis and professional intervention of a practitioner. The sale is controlled in a regulated environment as defined by provincial pharmacy legislation.

Entries followed by a "V" superscript may be sold without having received a prescription if (a) the drug is in a form not suitable for human use or (b) the main panel of the manufacturer's inner label and the manufacturer's outer label carry, in both official languages, the statement "For Veterinary Use Only" or "For Agricultural Use Only" immediately following or preceding the brand name, proper name or common name, in type size not less than one-half as large as the largest type on the label, and the product is sold in the original manufacturer's container.

Schedule IA (Controlled Prescription Program)

Drugs which may be sold by a pharmacist to a practitioner or on the prescription of a practitioner in accordance with Bylaw (4)(6) of the bylaws to the *Pharmacy Operations and Drug Scheduling Act*.

Schedule II (Professional Service Area)

Drugs which may be sold by a pharmacist on a nonprescription basis and which must be retained within the Professional Service Area of the pharmacy where there is no public access and no opportunity for patient self-selection.

Schedule III (Professional Products Area)

Drugs which may be sold by a pharmacist to any person from the self-selection Professional Products Area of a licensed pharmacy.

Schedule IV (Prescription By Pharmacist)

Drugs which may be prescribed by a pharmacist in accordance with guidelines approved by the Board.

Unscheduled (Nonpharmacy Sale)

Drugs which may be sold by a nonpharmacist to any person.

|---|--|----|---|
| 1 | Abacavir and its salts | 1A | Alfentanil |
| 1 | Abatacept | 1 | Alfuzosin and its salts |
| 1 | Abciximab | 1 | Aliskiren and its salts |
| 1 | Acamprosate and its salts | 1 | Alkyl nitrites |
| 1 | Acarbose and its derivatives | 1 | Allergy serums |
| 1 | Acebutolol and its salts | 2 | Allethrins (pyrethrins) |
| 1 | Acepromazine and its salts ^V | 1 | Allopurinol |
| 3 | Acetaminophen (in sustained-release formulations containing greater than 650 mg per unit or in package sizes greater than 50 units) | 1 | Allylisopropylacetylurea |
| 1 | Acetanilide ^V | 3 | Aloe vera latex, its extracts and derivatives (except aloin) (dosage forms for systemic use containing more than 300mg per dosage unit) |
| 2 | Acetarsol | 1 | Almotriptan and its salts |
| 1 | Acetazolamide | 1 | Alpha-chloralose |
| 1 | Acetohexamide | 1 | Alphadolone and its salts |
| 1 | Acetylcarbromal | 1 | Alphaxalone |
| 1 | Acetylcholine chloride | 1 | Alprazolam |
| 2 | Acetylcysteine | 1 | Alteplase and its salts and derivatives |
| 1 | Acetylsalicylic acid and its salts (in oral preparations containing 80 mg or less per dosage unit in containers with more than 24 dosage units per container) | 1 | Altrenogest |
| 2 | Acetylsalicylic acid and its salts (in oral preparations containing 80 mg or less per dosage unit in child-resistant containers with 24 or less dosage units per container or rectal preparations containing 150 mg or less per dosage unit) | 1 | Altretamine |
| 3 | Acetylsalicylic acid and its salts (in products intended for oral use by adults in strengths of 81 mg per dosage unit and 650 mg or greater per dosage unit and in rectal preparations containing more than 150 mg per dosage unit) | 1 | Alverine and its salts (for parenteral use) |
| 1 | Acitretin and its salts and derivatives | 1 | Amantadine and its salts |
| 1 | Aconiazide and its salts | 1 | Ambenonium chloride |
| 1 | Acyclovir and its salts | 1 | Ambrisentan |
| 1 | Adalimumab | 1 | Amifostine and its salts |
| 1 | Adapalene and its salts and derivatives | 1 | Amikacin and its salts and derivatives |
| 1 | Adefovir and its salts and derivatives | 1 | Amiloride and its salts |
| 1 | Adenosine and its salts (for parenteral use) | 1 | Amino acid solutions (for parenteral use) |
| 2 | Adiphen and its salts for parenteral use | 1 | 4-Amino-pteroyl aspartic acid and its salts |
| 1 | Adrenocortical hormones and their salts and derivatives ^V (except (a) hydrocortisone or hydrocortisone acetate, when sold as a single medicinal ingredient in a concentration that provides 0.5% or less hydrocortisone in preparations for topical use on the skin and (b) clobetasone butyrate, when sold in a concentration of 0.05% clobetasone butyrate in cream preparations for topical use on the skin) | 1 | Aminocaproic acid |
| 1 | Agalsidase alfa | 1 | Aminoglutethimide |
| 1 | Alatrofloxacin and its salts and derivatives | 1 | Aminolevulinic acid and its salts and derivatives |
| 1 | Alefacept | 1 | Aminophylline |
| 1 | Alemtuzumab | 1 | Aminopromazine (proquamezine) and its salts |
| 1 | Aldesleukin | 1 | Aminopterin and its salts |
| 1 | Alendronic acid and its salts | 1 | Aminopyrine and its derivatives ^V |
| 1 | Alfacalcidol | 1 | 4-Aminosalicylic acid and its salts |
| | | 1 | 5-Aminosalicylic acid |
| | | 1 | Amiodarone and its salts |
| | | 1 | Amitraz |
| | | 1 | Amitriptyline and its salts |
| | | 1 | Amlexanox and its salts and derivatives |
| | | 1 | Amlodipine and its salts |
| | | 1 | Ammonium bromide |
| | | 1 | Amoxapine |
| | | 1 | Amoxicillin and its salts and derivatives |
| | | 1 | Amphotericin B and its salts and derivatives |
| | | 1 | Ampicillin and its salts and derivatives |
| | | 1 | Amprenavir and its salts and derivatives |
| | | 1 | Amprolium and its salts ^V |
| | | 1 | Amrinone and its salts |
| | | 1 | Amsacrine and its salts |
| | | 2 | Amylocaine and its salts (for ophthalmic or parenteral use) |
| | | 3 | Amylocaine and its salts (preparations for topical use on mucous membranes except lozenges) |
| | | 1 | Anagrelide and its salts |
| | | 1 | Anakinra and its salts and derivatives |
| | | 1 | Anastrozole |

^V Prescription not required if sold for veterinary use, provided that the product is labelled by the manufacturer "for agricultural use only" or "for veterinary use only."

|----|--|---|---|
| 1 | Ancestim | 1 | Benserazide and its salts |
| 1A | Anileridine | 2 | Bentiromide |
| 1 | Anidulafungin | 2 | Benzalkonium and its salts (liquid preparations in concentrations of more than 2%) |
| 2 | Anisotropine and its salts | 1 | Benzathine penicillin and its salts and derivatives |
| 3 | Antazoline and its salts | 2 | Benzethonium chloride (liquid preparations in concentrations of more than 1%) |
| 2 | Anthralin | 3 | Benzocaine and its salts (for topical use on mucous membranes for teething) |
| 2 | Antihemophilic factor, human | 2 | Benzocaine and its salts (for parenteral or ophthalmic use) |
| 1 | Antipyrine ^v (except preparations for topical or otic use) | 3 | Benzonatate |
| 2 | Antipyrine for otic or topical use | 1 | Benzoyl peroxide (in concentrations greater than 5% or when sold in combination with another medicinal ingredient) |
| 1 | Anti-thymocyte globulin | 1 | Benztropine and its salts |
| 1 | Apiol, oil of (parsley oil) | 1 | Benzydamine and its salts |
| 2 | Apomorphine and its salts | 2 | Benzyl benzoate |
| 1 | Apraclonidine and its salts | 1 | Beractant |
| 1 | Apramycin and its salts ^v | 3 | Berberis vulgaris (Barberry) |
| 1 | Aprepitant and its derivatives | 1 | Betahistine and its salts |
| 1 | Aprotinin | 1 | Betaine and its salts (when sold or recommended for the treatment of homocystinuria) |
| 1 | Argatroban and its salts and derivatives | 1 | Betaxolol and its salts |
| 2 | Arginine and its salts | 1 | Bethanechol chloride |
| 2 | Artemisia, its preparations, extracts and compounds (except in trace amounts in homeopathic preparations) | 1 | Bethanidine and its salts |
| 1 | L-Asparaginase | 1 | Bevacizumab |
| 1 | Astemizole and its salts | 1 | Bezafibrate and its salts and derivatives |
| 1 | Atazanavir and its salts | 1 | Bicalutamide |
| 1 | Atenolol and its salts | 1 | Bimatoprost and its derivatives |
| 1 | Atipamezole and its salts | 1 | Biperiden and its salts |
| 1 | Atomoxetine and its salts | 3 | Bisacodyl and its salts |
| 1 | Atorvastatin and its salts | 1 | Bishydroxycoumarin and its salts and derivatives |
| 1 | Atovaquone | 1 | Bisoprolol and its salts |
| 1 | Atracurium besilate | 1 | Bitolterol and its salts |
| 1 | Atropine and its salts (in ophthalmic or parenteral preparations) | 1 | Bivalirudin |
| 1 | Auranofin | 1 | Bleomycin |
| 1 | Aurothioglucose | 2 | Boric acid and its salts (in preparations for systemic use, or ophthalmic preparations in concentrations of greater than 2%) [Note: does not apply to contact lens solutions intended to be rinsed off prior to placement of lens on the eye]. |
| 1 | Azacyclonol and its salts | 1 | Bortezomib |
| 1 | Azaribine | 1 | Bosentan and its salts and derivatives |
| 1 | Azatadine and its salts | 1 | Botulinum Toxin Type A |
| 1 | Azathioprine and its salts | 1 | Botulinum Toxin Type B |
| 1 | Azelaic acid | 1 | Bretylium tosylate |
| 1 | Azithromycin and its salts and derivatives ^v | 1 | Brimonidine and its salts |
| 1 | Azlocillin and its salts and derivatives | 1 | Bromal |
| 1 | Aztreonam and its salts | 1 | Bromal hydrate |
| 1 | Bacitracin and its salts and derivatives (for parenteral use) | 1 | Bromazepam and its salts |
| 3 | Bacitracin and its salts and derivatives (for ophthalmic use) | 1 | Brometone |
| 1 | Baclofen and its salts | 1 | Bromisoval |
| 1 | Bambuterol and its salts | 1 | Bromocriptine and its salts |
| 1 | Basiliximab | 1 | Bromoform |
| 1 | Becaplermin | 3 | Brompheniramine and its salts as a single entity for the treatment of allergies |
| 2 | Belladonna alkaloids, and their salts and derivatives (except in preparations for topical use or in trace amounts in homeopathic preparations) | 2 | Buclizine |
| 3 | Belladonna alkaloids, their salts and derivatives for topical use | 2 | Bufexamac |
| 1 | Bemegride | | |
| 1 | Benactyzine and its salts | | |
| 1 | Benazepril and its salts and derivatives | | |
| 1 | Bendazac and its salts | | |
| 1 | Benoxapofen and its salts | | |
| 2 | Benoxinate hydrochloride (oxybuprocaine) (for ophthalmic or parenteral use) | | |

^v Prescription not required if sold for veterinary use, provided that the product is labelled by the manufacturer "for agricultural use only" or "for veterinary use only."

| 1 | Ciclopirox and its salts | 3 | Cromoglycic acid and its salts in solutions of sodium cromoglycate in concentrations of 2% or less, for ophthalmic or intranasal use |
| 1 | Cilastatin and its salts | 2 | Crotamiton |
| 1 | Cilazapril and its salts and derivatives | 2 | Cyclandelate |
| 1 | Cimetidine and its salts (except when sold in concentrations of 100 mg or less per unit dose) | 2 | Cyclazocine and its salts |
| 3 | Cimetidine and its salts when sold in concentrations of 100 mg or less per unit dose | 1 | Cyclizine ^V |
| 1 | Cinacalcet and its salts | 1 | Cyclobenzaprine and its salts |
| 2 | Cinchocaine (dibucaine) and its salts (for ophthalmic or parenteral use) | 2 | Cyclomethacaine and its salts (for ophthalmic or parenteral use) |
| 1 | Cinchophene and its salts | 2 | Cyclopentamine and its salts |
| 1 | Cinoxacin | 1 | Cyclopentolate and its salts (in preparations for parenteral or ophthalmic use, except when sold for use in diagnostic procedures to an optometrist registered in a province of Canada) |
| 1 | Ciprofloxacin and its salts | 2 | Cyclopentolate and its salts (except for ophthalmic or parenteral use) |
| 1 | Cisapride and its salts | 1 | Cyclophosphamide |
| 1 | Cisatracurium besilate | 1 | Cycloserine |
| 1 | Cisplatin | 1 | Cyclosporine |
| 1 | Citalopram and its salts | 2 | Cyproheptadine and its salts |
| 1 | Cladribine and its salts | 1 | Cyproterone and its derivatives |
| 1 | Clarithromycin and its salts and derivatives ^V | 1 | Cytarabine and its salts |
| 3 | Clemastine and its salts | 1 | Dabigatran and its salts and derivatives |
| 1 | Clenbuterol and its salts | 1 | Dacarbazine |
| 2 | Clidinium and its salts | 1 | Daclizumab |
| 1 | Clindamycin and its salts and derivatives | 1 | Dactinomycin |
| 1 | Clobazam and its salts | 1 | Dalfopristin and its salts |
| 2 | Clobetasone butyrate (when sold in a concentration of 0.05% clobetasone butyrate in cream preparations for topical use on the skin) | 1 | Dalteparin and its salts |
| 1 | Clodronic acid and its salts | 1 | Danaparoid and its salts and derivatives |
| 1 | Clofibrate | 1 | Danazol |
| 1 | Clomiphene and its salts | 1 | Danofloxacin and its salts |
| 1 | Clomipramine and its salts | 3 | Danthron |
| 1 | Clonazepam and its salts | 1 | Dantrolene and its salts |
| 1 | Clonidine and its salts | 1 | Dapiprazole and its salts |
| 1 | Clopidogrel and its salts | 1 | Daptomycin |
| 1 | Cloprostenol and its salts and derivatives | 1 | Darifenacin and its salts |
| 1 | Clorazepic acid and its salts | 1 | Dasatanib |
| 1 | Clotrimazole and its salts (except preparations for topical or intra-vaginal use) | 1 | Daunorubicin and its salts |
| 3 | Clotrimazole and its salts (preparations for intra-vaginal use) | 1 | Deanol and its salts and derivatives |
| 1 | Cloxacillin and its salts and derivatives | 1 | Debrisoquin and its salts |
| 1 | Clozapine and its salts | 1 | Deferasirox |
| 2 | Coal tar (in concentrations of more than 10%) | 1 | Deferoxamine and its salts |
| 2 | Codeine and its salts (in preparations exempted from the Regulations to the <i>Controlled Drugs and Substances Act</i>) | 3 | Dehydrocholic acid and its salts |
| 1A | Codeine when prescribed as a single entity or when included in a preparation containing 60 mg or more per dosage unit | 1 | Delavirdine and its salts |
| 1 | Colchicine | 3 | Deoxycholic acid and its salts |
| 1 | Colestipol and its salts | 1 | Deracoxib |
| 1 | Colfosceril and its derivatives | 1 | Deserpidine and its alkaloids and salts |
| 1 | Colistin and its salt and derivatives | 1 | Desflurane |
| 2 | Collagenase (as debriding agent) | 1 | Desipramine and its salts |
| 1 | Copper sulfate in injectable form for parenteral nutrition | 3 | Desloratadine and its salts and preparations (in products marketed for paediatric use – under 12 years of age) |
| 1 | Corticotrophin ^V | 1 | Desmopressin and its salts |
| 1 | Cosyntropin ^V | 2 | Desoxyribonuclease (pancreatic dornase) |
| | | 1 | Detomidine and its salts |
| | | 3 | Dexbrompheniramine and its salts |
| | | 3 | Dexchlorpheniramine and its salts |

^V Prescription not required if sold for veterinary use, provided that the product is labelled by the manufacturer "for agricultural use only" or "for veterinary use only."

| 3 Prilocaine and its salts (for topical use on mucous membranes, except lozenges) | 3 Ranitidine and its salts (when sold in concentrations of 150 mg or less per oral dosage unit and indicated for the treatment of heartburn, in package sizes containing more than 4500 mg of ranitidine) |
| 1 Primaquine and its salts | 1 Rasburicase |
| 1 Primidone ^v | 1 Raubasine and its salts |
| 1 Probenecid and its salts | 1 Rauwolfia |
| 1 Probucof | 1 Remoxipride and its salts |
| 1 Procainamide and its salts | 1 Repaglinide and its salts and derivatives |
| 2 Procaine and its salts (for ophthalmic or parenteral use) | 1 Rescinnamine and its salts |
| 3 Procaine and its salts (for topical use on mucous membranes, except lozenges) | 1 Resocortol and its derivatives |
| 1 Procarbazine and its salts | 1 Reserpine and its salts ^v |
| 1 Procaterol and its salts | 1 Retapamulin |
| 1 Prochlorperazine and its salts | 1 Reviparin and its salts |
| 1 Procyclidine and its salts | 1 Ribavirin |
| 1 Prodilidine and its salts | 1 Rifabutin and its salts |
| 1 Profenamine and its salts | 1 Rifampin and its salts and derivatives |
| 4 Progestin (when used for emergency contraception) | 1 Riluzole and its salts |
| 1 Proguanil and its salts | 1 Risedronic acid and its salts |
| 1 Promazine and its salts ^v | 1 Risperidone and its salts |
| 2 Promethazine and its salts (except for topical use) | 1 Ritodrine and its salts |
| 3 Promethazine and its salts (for topical use) | 1 Ritonavir |
| 1 Propafenone and its salts | 1 Rituximab |
| 2 Propantheline and its salts | 1 Rivaroxaban |
| 2 Proparacaine and its salts (for ophthalmic or parenteral use) | 1 Rivastigmine and its salts |
| 3 Proparacaine and its salts (for topical use on mucous membranes, except lozenges) | 1 Rizatriptan and its salts |
| 1 Propofol | 1 Rocuronium bromide |
| 1A Propoxyphene | 1 Rofecoxib |
| 1 Propranolol and its salts | 1 Romifidine and its salts |
| 2 Propylhexedrine | * 1 Romiplostim |
| 1 Proquamezine (aminopromazine) and its salts (for internal use) | 1 Ronidazole and its salts and derivatives ^v |
| 1 Prostaglandins and their salts and derivatives | 1 Ropinirole and its salts |
| 2 Protamine and its salts | 2 Rose Bengal |
| 1 Prothipendyl hydrochloride | 1 Rosiglitazone and its salts |
| 1 Protirelin | 1 Rosoxacin and its salts |
| 1 Protriptyline and its salts | 1 Rosuvastatin and its salts |
| 2 Pyrantel and its salts | 2 Rue and its preparations and extracts |
| 1 Pyrazinamide | 1 Salbutamol and its salts |
| 2 Pyrethrins (allethrins) | 2 Salicylic acid and its salts (in topical preparations in concentrations greater than 40%) |
| 2 Pyrethrins(allethrins) / piperonyl butoxide | 1 Salmeterol and its salts |
| 1 Pyridostigmine bromide | 1 Salsalate and its salts and derivatives |
| 1 Pyrimethamine and its salts | 1 Saquinavir and its salts and derivatives |
| 2 Pyrvinium and its salts | 1 Saralasin and its salts |
| 1 Quetiapine and its salts | 1 Sargramostin |
| 1 Quinagolide and its salts | 2 Scopolamine and its salts (hyoscine) |
| 1 Quinapril and its salts and derivatives | 1 Selegiline and its salts |
| 1 Quinidine salts | 1 Selenium in injectable form for parenteral nutrition |
| 1 Quinine salts | 1 Sermorelin and its salts |
| 1 Quinupristin and its salts | 1 Sertraline and its salts |
| 1 Rabeprazole and its salts | 1 Sevelamer hydrochloride |
| 2 Racemethionine | |
| 1 Raloxifene and its salts | |
| 1 Raltegravir and its salts | |
| 1 Raltitrexed and its salts and derivatives | |

^v Prescription not required if sold for veterinary use, provided that the product is labelled by the manufacturer "for agricultural use only" or "for veterinary use only."
