

INFORMATION ON BECOMING A PHARMACIST IN BRITISH COLUMBIA

New Pharmacy Graduates (Other Canadian Universities)

The College welcomes graduates from other Canadian university pharmacy programs. If you've never been registered to practice pharmacy, here's what you need to do to practice as a pharmacist in BC.

□ Step 1 Pre-register as an applicant with the College of Pharmacists of British Columbia

Complete the "Application for Pre-Registration – Canada – New Graduate". Allow up to 20 business days for your application to be processed.

□ Step 3 Successfully complete the Pharmacy Examining Board of Canada (PEBC) Qualifying Exam – Part I and Part II.

For information regarding the Qualifying Exam – Part I and II, visit the PEBC website.

 www.pebc.ca

□ Step 4 Complete the "Application for Full Pharmacist Registration".

□ Finished Congratulations!

You have now completed all the steps necessary to become a registered pharmacist in BC. The College will issue a Certificate of Registration and annual registration card designed to be carried in your wallet. You will need to renew your registration once a year.

*Note that if you graduated from a pharmacy program in Quebec, you will also be required to successfully complete an English Language Proficiency (ELP) assessment.
