

College of Pharmacists of British Columbia

Key Highlights

Part 4: College Administration

The *Health Professions and Occupations Act* (HPOA) does not introduce significant changes to the administrative functions of the College. Part 4 of the proposed HPOA Bylaws is similar to the College's current *Health Professions Act* Bylaws. Of note:

- The Annual General Meeting has been discontinued.
- The Board must establish a conflict of interest policy for employees and officers.

The [full part](#) of the draft bylaws is available on the CPBC Website.

Note: This document provides key highlights only and is not intended to serve as a comprehensive summary of the proposed bylaws. The proposed bylaws may change based on feedback received during consultation.
