Important Notice: Single Renewal Date

In March 2024, the College of Pharmacists of BC transitioned to a single renewal date for all registrants, marking the start of the College's streamlined renewal process. The new billing period for all registrants will begin April 1, 2025, to March 31, 2026.

To facilitate this transition to the Single Renewal Date, your registration fees for 2024 will be pro-rated. This means you'll only pay for the number of months from your current renewal date until April 1, 2025.

The College has developed [an FAQ to address questions](#) about the transition to the Single Renewal Date, pro-ration fee schedules, and how the transition may impact Continuing Education requirement submissions in the next year.

For more information, or additional questions, registrants may contact the College via email at registration@bcpharmacists.org.
